Robert's current roommate Chad frequently hosts parties and never cleans up afterwards. He is rude to Robert when asked to change his behaviour.

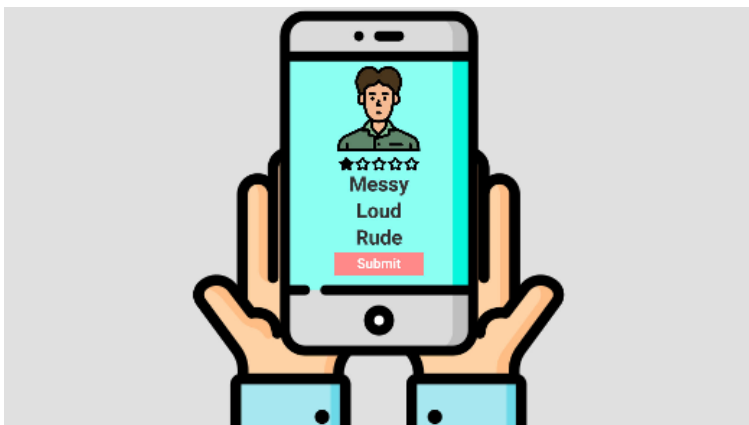

Robert finally decides to move out, and begins to look for places to rent.

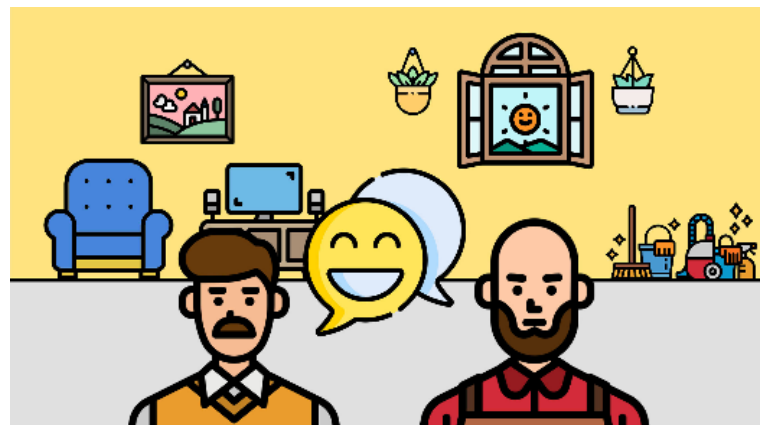

He uses the app to find a new roommate, Gerald, to move in with him.

Robert packs up and moves into his new home.

Robert uses the app to give Chad a poor review.

He is happy with his roommate Gerald, who is clean and quiet.
